

L THE LAKE AT LISSARA

An incomparable pairing of lakefront and riverfront properties three minutes from highway 421 in Lewisville, NC.

The Lake at **LISSARA** and the Estates at **LISSARA** are the product of years of planning by developers Lang Wilcox, Beau Dancy, Pete Ramey and Brant Godfrey, in association with renowned artist, designer and conservationist, Bob Timberlake.

The emphasis on stream and woodland preservation, coupled with a twenty-one acre deep water lake, long-range views of Pilot Mountain and thoughtful routing of the private roads has resulted in a sustainable, natural environment unique in Forsyth County.
